

HIKING TRAILS

Choose for yourself the most popular trails we have listed in order according to their level of difficulty. At the same time, we offer you a list of the starting points in Wallachia, from where you can start your hiking expeditions - Vsetín, Hovězí, Huslenky, Halenkov, Nový Hrozenkov, Karolinka, Velké Karlovice, Lidečko, Potráš - Kohútka, Na kasárni, Bumbálka.

EASY TRAILS

Velká Hanzlůvka - pod Vysokou - Láďův prameň - Velká Hanzlůvka

9 km, easy

Choose a trail, that can be managed not only by families with small children, but also mothers with prams or Segway lovers. Go deep into the forest where the smell of mushrooms is spread around, or get to know the famous 'Láďův prameň' spring.

MODERATE TRAILS

Ridgeway in Javorníky Mountains

moderate

Try the hiking trail from Kasárne going towards Na Kohútku, savour the extraordinary views, and during your trip have a look at the Three Crosses 'Tri kříže' memorial, dedicated to the soldiers who lost their lives during World War II. Have a break to enjoy your refreshments at Portáš or Kohútka. You can manage this trail comfortably on a bicycle too. From this trail you can join the hiking trail directly that will lead you straight to Velké Karlovice.

Ridgeway in the Vsetín Beskids

moderate

Start in the Czech Republic at Soláň and finish at Bumbálka in Slovakia. Interesting destinations await you along the way - Kotlová, Třeštík and the Čarták-Súkenická observation tower. Also, from this trail you can join the road that runs as far as to Velké Karlovice.

Leskové - Ivanová - Miloňová - rozs. Podťaté - Leskové

11 km, moderate

If you feel like hiking also manageable with a pram or using a Segway? Choose a route that will lead you to asphalt roads and the Bečva cycle route. If you would like to make it longer, it is possible to join the ridgeway going towards Benešky a Soláň.

DIFFICULT TRAILS

Bumbálka - Velký Javorník - Huslenky

43 km, difficult

Make your whole body move on the hiking trail that will let you experience enough ascents and descents.
